ACS - Authorised Signatory and trader List.docx

Hi Greg, we need the following to get the ACS account up and running at ED & F Man. If you can get this done when you are back on Monday that would be great.

1. Can you please sign and send me a scanned pdf of the authorised signatory list.
2. Also please send me a scan of your recent utility bill (ie not more than 3 months old).
3. Do you have any statement to show the size of assets in the Plan. A snap shot will do.
4. Can you please explain how National Life Insurance Company is linked to Acorn.
5. Can you refer us to where Greg Summers is the sole beneficiary of the Plan.

thanks
